

Cyclone Montego Torino REGISTRY UPDATE 12/10 Featuring '64 - '66

The first flip top was a '67 Cyclone.

60 427 Mercs were built that year.

We will miss you. Bill Shenk at a presentation at Carlisle in 2000; note his full-size Torino clay picture in the background.

Dyno Don ran this '64

Bud Moore Engineering Archives

First use of mid-size on the big ovals & it was a Cyclone during MFG pull out - Being prepped - having started with a real car.
