Note: Your 1972 Ford comes with factory-engineered Autolite/Motocraft battery, oil filter, shock absorbers, Autolite spark plugs and other Ford-approved precision parts. The combined top performance, be sure to specify Autolite spark plugs and Autolite/Motocraft parts whenever replacement is necessary.

Note: All 1972 engines are designed to operate on regular gasoline with octane rating of at least 91 when the engine is adjusted to factory recommended specifications. Availability of engines and transmissions is contingent upon Federal certification and production schedules.

Information shown herein was correct when approved for printing. Ford reserves the right to discontinue, or change at any time, specifications or designs without incurring obligation. Some features described or illustrated are optional at extra cost. Many options are available on most models. Some are employed in combination with other options. Always consult your Ford Dealer for complete details.
